

Dress With Style Workshop

Our Style Consultation will help you discover the style of clothing and accessories that will flatter your face and figure, which will have you glowing and feeling more confident, all day, everyday...

How it works

In order to recommend the best clothing styles and accessories that suit you, we take into account several factors that include body proportions, face shape, scale as well as your lifestyle. Advice will also be based on your personality, profession, lifestyle and activities, personal colouring, and wardrobe preferences.
